Group Reviews

Don's strength was his different look at how to deal with employees for a positive result. His talk was a bit different each meeting. It always seemed "fresh."

Don was the "best" speaker and topic combo I've had during my four years of TEC and KEY!

He was an outstanding choice--had very good items for takeaway.

Excellent presentation and valuable information.

Don had great take-home! Straightforward, no BS presentation.

Great "take-home" systems.

I'd like to hear other sections of his product offerings.

Outline of discussion in workbook of all topics.
