

Workplaces of the Future Checklist

Are you preparing for the rapid changes coming your way?

- | | |
|--|---|
| <input type="checkbox"/> 3D Printing | <input type="checkbox"/> Internet of everything (IOT) |
| <input type="checkbox"/> Artificial intelligence | <input type="checkbox"/> Medical breakthroughs |
| <input type="checkbox"/> Augmented reality | <input type="checkbox"/> Online learning/MOOCs |
| <input type="checkbox"/> Cloud computing | <input type="checkbox"/> Personalized learning |
| <input type="checkbox"/> Collaborative learning | <input type="checkbox"/> Political |
| <input type="checkbox"/> Culture | <input type="checkbox"/> Robotics |
| <input type="checkbox"/> Display technology | <input type="checkbox"/> Scientific |
| <input type="checkbox"/> Economic | <input type="checkbox"/> Social media |
| <input type="checkbox"/> Environmental | <input type="checkbox"/> STEM |
| <input type="checkbox"/> Experiential learning | <input type="checkbox"/> Working environments |
| <input type="checkbox"/> Gamification | <input type="checkbox"/> Others _____ |

Questions to ask:

What changes are coming your way in each of these categories?

How will it disrupt the work you do?

What will be different in 3-5 years from now?

How will you help lead the change efforts?

How will it affect the workplace?

Where will your future leaders come from?

How do you drive innovation?

How do you make it fun?
